Other Disclosures

The information on the Site constitutes the opinions of PTTTTP, LLC

PTTTTP, LLC or its Affiliates may, at times, hold positions or interests in securities mentioned in the Site or positions inconsistent with views from User Submissions, other affiliates, or other third parties and may trade for their own account(s) based on information presented at any time (e.g. into a spike, upon a sharp decline, etc.) and consistent with such party's own trading plan. None of the information contained in the Site, including any positions or interests held or taken by PTTTTP, LLC. or its Affiliates, constitutes or is intended as securities brokerage, investment, tax, accounting or legal advice, as an offer or solicitation of an offer to sell or buy, or as an endorsement, recommendation or

sponsorship of any company, security or fund or as advice tailored to your particular situation. Content and any other information communicated via social media channels (e.g. Twitter and Facebook) are not a substitute for personalized individual advice from the advisor or any other in any URL links or company names or ticker symbols are offered as a matter of convenience and nothing contained in this agreement or in the service constitutes a solicitation, advice, recommendation, promotion, endorsement, or offer by PTTTTP, LLC or its Affiliates of any particular security, transaction, or investment or investment strategy. Investing in any investments, including those discussed in the Site, is often very risky and speculative. The companies discussed on the Site, especially “penny stocks”, may have limited operating histories, little available public information, and the stocks they issue may be volatile and illiquid and you may lose 100% of your investment. There is no guarantee for success of any kind. Trading in such securities can result in immediate and substantial losses of the capital invested despite a personal trading plan. Users are encouraged to sign-up for a third party service providing trading simulation to learn and refine their skills in an environment that removes the risks associated with actual trading. The Site may provide or generate information or links from or to certain brokerage, marketing or trading related companies for which PTTTTP, LLC. has agreements with and receives fixed monthly compensation; any of the foregoing is solely for your convenience only. The brokerage company you select (and not PTTTTP, LLC.) is solely responsible for its services to you.
