SUMMARY OF SKILLS

- Project Controls
 - Planning & Scheduling
 - Forensic Delay Analysis
 - Cost Engineering
 - Mixed-use/Commercial/Residential/Infrastructure Projects
 - Environmental impact assessment (EIA)
 - Cleaner Production (CP) opportunity assessment
 - Project Management
 - Contract Administration
 - Extension of Time claims
 - Earned Value Management
 - Construction Management
 - FIDIC Forms of Contract
 - Change/Variation Orders
 - Progress Monitoring
 - EPC Contracts
 - Quantity Surveying
 - Document Control
- Computer**
- Microsoft Office Suite
 - Primavera Project Planner (P3)
 - Primavera Project Management (P6)
 - AutoCAD 2D
 - Microsoft Project
 - Google Sketchup
 - Minitab
 - Crystal Ball
 - Constructware
 - Visual Studio
 - Ubuntu
 - Python
- Languages**
- Fluency in Arabic and English
 - Basic knowledge of French and German

EDUCATION

- Executive MBA**, Alexandria University, Egypt in association with Georgia State University, USA *December 2014*
- Master of Engineering**, American University in Cairo, Egypt *February 2010*
- Major : Construction Engineering with specialization in Construction Management
 - GPA : 3.7 out of 4.0
- Bachelor of Science**, Faculty of Engineering, Alexandria University, Egypt *June 2005*
- Major : Civil Engineering
 - Grade : Good

PROFESSIONAL AFFILIATIONS

- Member – Saudi Council of Engineers
- Project Management Professional (PMP No. 1443494) - Project Management Institute (PMI)
- Member – Engineers Syndicate, Egypt
- Affiliate Member – American Society of Civil Engineers (ASCE)

WORK EXPERIENCE

- Nahaz Investment** *August 2015 – Present*
